# ACHIEVE

**The Institute of Medicine of Chicago**

Black and Latino Men's Career and Networking  
Medical and Dental Students

*Supported by The Otho S. A. Sprague Memorial Institute*

**#ACHIEVE**

The Institute of Medicine of Chicago (IOMC) was awarded a two-year grant to develop a mentoring and networking program for Black and Latino male medical and dental students currently enrolled in accredited four-year medical and dental schools and universities in the Chicago area.\* The Otho S.A. Sprague Memorial Institute is providing a funding grant to develop this program. IOMC is committed to this initiative and is proud to receive this grant.

The purpose of the ACHIEVE - Career and Networking program is to engage students, offer relevant information to increase your success as a student, support graduation success, build a network, and experiences with a broad group of healthcare and dental professionals in the Chicago community.

## Join Us- ACHIEVE

IOMC will offer several opportunities over the next two years at no cost to you to help you succeed in your rigorous studies and build a network with accomplished healthcare, medical, public health, and other interdisciplinary professionals.

- Virtual sessions on topics of interest
- Virtual Networking Breakouts Sessions to meet with other students\*
- Annual half-day program
- Networking Forum throughout the year
- Invitation to Special Programs

To be eligible:

- Male Black or Latino Students in the Chicago area
- Currently an enrolled medical or dental student in an accredited medical or dental college or university in the Chicago area
- A registered participant in the IOMC Mentoring & Networking Program

**Sign Up Now!** [Register for the ACHIEVE - Career & Networking Program by completing this form here.](#)

If you are interested in more information, please email Deborah Hodges, Program Manager at [iomcstaff@iomc.org](mailto:iomcstaff@iomc.org) and state 'ACHIEVE' in the Subject line.

## About Us

The Institute of Medicine of Chicago (IOMC), since 1915, is an independent non-profit organization of distinguished leaders in the health field who collaborate to improve the health of the public. Drawing upon the expertise of a diverse membership and other regional leaders, the IOMC addresses critical health issues through a range of interdisciplinary approaches, including education, research, communication of trusted information, and community engagement. With the public's health at its core, IOMC is building new programs and services to better meet the needs of its members the Chicago, County, and the State of Illinois community. 501c3 non-profit organization.
